Biography:

John William Cresswell Corbusier was a native of Rochester, New York and a graduate of the Mechanics Institute who gained practical experience in Buffalo, New York and New York City, where he worked in the office of Cass Gilbert. He became the lead draftsman in the office of H.V.B. Magonigle who won the competition for the McKinley Memorial in Canton. While in this office he won the gold medal of the New York architectural league. He married the daughter of H. F. Lyman of the Upson-Walton Company. He spent two years in Paris after his marriage, where he continued his study of the gothic cathedral. Upon his return to the United States, he settled in Cleveland, associating with Ralph Adams Cram in erecting the Church of the Covenant, and with Henry Vaughn on the Flora Stone Mather Chapel of Adelbert College. He later went into partnerships with George S. Page and then with William E. Foster. He was a noted church architect. He moved to Hudson in 1911 where he was instrumental in early historic preservation efforts, designing several structures that fit into the character of the early Western Reserve architecture of the town. He was an accomplished singer and was in charge of music at the First Congregational Church in Hudson. Corbusier died of a heart attack while dancing at the Hudson Club at the age of forty-nine. According to his obituary he also designed several unidentified churches in St. Louis, Pittsburgh, Orlando, FL, Indianapolis, Ft. Wayne, Toledo, and Massillon.
